The final was played over the weekend of 8th May - Gameweek 35.

Martyn Dring wins the final by 22 points, beating Michael Matthews 65-43.

I hadn't realised that this would be a double gameweek for some clubs but this was meant to be one single set of fixtures. Looking at the two teams, Michael has Salah, Jota, Cash and Watkins. Seeing as Martyn also has Salah and Jota, and Watkins will be suspended off then, barring a miraculous game from Cash, I doubt the additional games would have made any difference anyway.

Congratulations (and £30) to Martyn. Commiserations (and £10) to Michael. Prizes to be paid at the end of the season.

GAMEWEEK 3 - 5th-7th December

Third round of games played last weekend. Just Groups A&B involved in next round, 12th-13th December. Despite his lowly league position (just moved off bottom place last weekend) Nick Carr is firing on all cylinders in Group A with 3 straight wins. All the other groups with 4 teams taking a similar shape after 2 games played - one manager with two wins, one without any and the other two with a game won each! Those players with no wins, not a write off yet but with four games to play they need to start winning soon!
